**GOVERNMENT OF PUDUCHERRY
HEALTH SECRETARIAT**

No. A.13016/H1/Health/2006-2016.

Puducherry, the 10th March 2016.

ORDER

Whereas, one month Notice of termination of service was issued under rule 5 of the Central Civil Services (Temporary Service) Rules, 1965 to some Medical Officers who were unauthorisedly absent from service *vide* Notice of termination of service issued under rule 5 (1) of the CCS (Temporary Service) Rules, 1965, dated 17-7-2012.

2. And whereas, Dr. M. Sivaraj is one amongst them and he was issued Notice of termination of service by treating that he was on unauthorised absence from service *w.e.f.* 22-6-2011.

3. And whereas, Dr. M. Sivaraj has reported and brought to the Notice that within one month of the Notice period under representations of Dr. M. Sivaraj, General Duty Medical Officer, dated 8-8-2012/13-8-2012 that he was undergoing higher studies *viz.*, Postgraduate Diploma course in TB and Chest Diseases at Madras Medical College, Chennai for which he had already submitted application for E.O.L for the period of 2 years from 22-6-2011 along with the necessary Bond under rule 32 (2) (e) of the CCS (Leave) Rules, 1972 for which he was entitled as he was having more than 3 years of service as on 22-6-2011 *i.e.* at the time of admission to the higher studies. He has stated that in anticipation of sanction of E.O.L. for study purpose, he left for his Diploma course and he is very much willing to continue in service and assured that he would rejoin duty the next day of completion of his course. He has requested to withdraw the Termination Order and to grant of E.O.L. already applied for 2 years for study purpose.

4. And whereas, a thorough study was made with reference to the connected records, which revealed that:-

Dr. M. Sivaraj was appointed as General Duty Medical Officer and posted in the Indira Gandhi Government General Hospital and Postgraduate Institute, Puducherry with effect from 7-4-2008. Subsequently, he was transferred to CHC, Karikalampakkam during the year 2010.

On selection for pursuing postgraduate diploma course in TB and Chest Diseases (DTCD) (2 years course) at Institute of Thoracic Medicine, Chetpet through AIPGMEE -January 2011 session, he had submitted an application for E.O.L. for study purpose for a period of 2 years under rule 32 (2) (e) of the CCS (Leave) Rules, 1972, for which he is eligible, since he had completed required number of years of service *i.e.* more than 3 years.

His letter, dated 21-6-2011 along with the leave application and necessary Bond in Form-6 requesting for sanction of E.O.L. had been forwarded by the Medical Officer, In-charge, CHC, Karikalampakkam on 21-6-2011 to the Directorate. Whereas, the Directorate has refused the leave applied for, since the Medical Officer has not submitted his application through proper channel nor obtained prior permission while applying for postgraduate course and hence,

the leave application was returned to the Medical Officer with the direction to report for duty forthwith, failing which action would be taken against him.

The Medical Officer In-charge CHC, Karikalampakkam had forwarded the same to the residential address of Dr. M. Sivaraj for his information since he was not available in the Centre and he was already undergoing study at Chennai.

In this position, as there was no response from the Medical Officer who was staying at Chennai for study purpose, it was treated as unauthorised absence from service and action was taken against him under Temporary Service Rules and accordingly Termination Notice was issued.

5. And whereas, the above has made it clear that rejecting his leave application to prosecute higher studies only on the ground of non-obtaining of prior permission was not in order. Having completed 3 years and 2 months service, which makes him eligible to avail E.O.L. to prosecute higher studies, the Medical Officer in anticipation of the leave sanction proceeded to undergo higher study at Chennai unaware of the fact that his leave application was rejected, thereby, the absence from service was treated as unauthorised absence which consequently led to the issue of Notice of termination of his service.

6. And whereas, inclusion of his case in the proposal as one of the cases of unauthorised absence and action contemplated against him thereon without knowing/confirming the above factual position is not correct and has to be treated as an erroneous one.

7. And whereas, in view of the above, the Notice of termination from service which was issued inadvertently in the case of Dr. M. Sivaraj, General Duty Medical Officer has to be withdrawn with the approval of Competent Authority. Subject to that, the Medical Officer was permitted to rejoin duty into service after completion of his higher studies with effect from 12-8-2013 in exigency of public interest.

8. Now, therefore, the Lieutenant-Governor is pleased to order that the Notice of termination issued in respect of Dr. M. Sivaraj, General Duty Medical Officer under Notice of termination of service issued under rules 5(1) of the (CCS Temporary Service) Rules 1965, dated 17-7-2012 is deemed to have been withdrawn.

(By order of the Lieutenant-Governor)

V. JEEVA,

Under Secretary to Government (Health).
